

The Hebrew letters on a Dreidel are
Nun נ Gimmel ג Hey ה Shin ש
which stand for:
Nes Gadol Hayah Sham:
“A Great Miracle Happened There”

Hanukkah means Dedication, and refers to the dedication of the Holy Temple after it was reclaimed from Syrian Greek rule. The miracle: a day’s worth of holy oil lasted 8 days—long enough to prepare new oil for the Temple menorah.

The Dreidel Game:

Gather small tokens like nuts, candy or coins and give the same number to each player plus some for the pot.

Players take turns spinning:

Nun נ = Nothing

Gimmel ג = Get (take all in the pot. You win.)

Hey ה = Half (take half the pot)

Shin ש = Share (put one in the pot)
